Naming Opportunities For Donors

Main Screening Room: Donor's name over the theatre door and referred to in all Film Society literature by that name, in the form "Jane and John Doe screening room"; includes automatic membership in the Film Center's "FOUNDER'S CIRCLE"\* (see below)  
—\$200,000 Donation.

The Show Must Go On: DCI Projection equipment. Take care of the most essential item we'll purchase and get recognized on a plaque in the lobby and on-screen"; includes automatic membership in the Film Center's "FOUNDER'S CIRCLE"\*  
—\$50,000.

Bring on the Talkies: We'll need a great surround-sound system. You'll get credit for it on a plaque in the lobby and audio recognition in theatre"; includes automatic membership in the Film Center's "FOUNDER'S CIRCLE"\*  
—\$25,000.

Raise the Red Curtain: There will be a beautiful red curtain in front of our screen that will open before each performance. Have your name be the first thing seen by our audiences.  
—\$15,000.

Stage Center: The main theatre will have a stage upfront for speakers and guests. Put your name Stage Front, it can be yours!  
—\$10,000.

Rooms without a View: Going to the "Mens" or "Womens" room is boring, right? So put *your* name on a spot everyone will see! (And, just in case you're named "Chris" or "Pat," we'll add icons to make everything perfectly clear).  
—\$10,000 per room.

Escape Clause: There's an emergency fire door with a red light over it. Wouldn't you like to be credited with protecting everyone's safety? Your name over the door (in a memorable form—such as "Ernest Egress Emergency Exit").  
—\$10,000.

Stand-In: Belly up to the concession stand with a donation and get it named for you.  
—\$10,000.

Ars Gratia Artis: We're planning on original works of art for the walls of the lobby with space for individual recognition of significant donors. Get a featured spot for

\$5,000 or a supporting role for only \$1,000.

Butt-in Please: Your name on one of the film center's gorgeous new seats  
—\$500 per chair.

Special delivery: We're planning a number of special programs, including a regular family matinee and periodic featured-director or featured-actor retrospectives. Endow a program and we'll bill as yours (ex., "Peter Piper Kids Matinee.") —Endowment varies with program (open to your programming suggestions).

Got any more ideas? Want your name on the popcorn machine? Just call us. We're in a naming mood. And please note, it would be entirely appropriate for a group of donors to pool funds to arrange a naming opportunity on behalf of a person they wish to honor.
